Generating Reports in eLumen
List & Brief Descriptions of Available Report Types

Source: "[List of All Exportable Reports](#)" article, eLumen Knowledge Base[*]

See the [Reports & File Sharing](#) article list for guides specific to each report type

---

eLumen contains several exportable reports that provide helpful information and useful tools for use outside of the eLumen software. To run a report go to the **Reports** section and the **Available Reports** tab unless otherwise listed. To find previously generated reports, click on the **Documents Library** tab.

Note: The list of reports can be rearranged by dragging and dropping reports.

SLO Lists

- **ISLO/PSLO Summary Map by Course/Context** - Provides the number of CSLOs mapped to either ISLOs or PSLOs for each course/context.
- **SLO Presentation** - Provides a simple list of ISLOs, PSLOs, and CSLOs.

Assessment Participation

- **Faculty Participation Report** - Provides the number of Assessments, Action Plans, and RFI submitted by each section, course, program, and department.
- **Course Statistics and Evidence** - Provides mastery levels for each course on each SLO.
- **Institutional Statistics** - Provides number of courses, contexts, credentials, and GE courses with assessments and action plans for the whole institute.

SLO Outcomes

- **Course Statistics and Evidence** - Provides number of courses with SLOs, assessments, and action plans for a program
- **SLO Performance Report** - Provides student counts for mastery levels of PSLOs or ISLOs broken down by term and organizational and student descriptors
- **SLO Performance – ISLO/PSLO with Courses** - Provides student counts for mastery levels of PSLOs or ISLOs broken down by course
- **SLO Performance - By Dept, Course, CSLO** - Provides student counts for mastery levels of CSLOs broken down by term
- **Assessment Results** - Provides student counts for mastery levels and scale scores for the SLOs and any criteria assessed by a single assessment both overall and by term for each course. This report is attached to each assessment and assessment distribution found in the **Initiatives** section, under the **Assessments** tab, and in either of **Assessment Library** and **Assessment Results** subsections.

---

[*] Note that you must be logged into eLumen for access to Knowledge Base articles; The full Knowledge Base can also be accessed and searched at any time from eLumen via the "?" support icon at the top right.

Continuous Improvement

- **Budget Report for Action Plan** - Provides a list of effective and ineffective actions and the number of resource requests and the amount of resources requested for each Action in a single Action Plan
- **Strategic Initiative Section Report** - Provides a single report that pulls one or more sections from Strategic Initiatives from any department and from any term.

Faculty Only Reports

- **Blank Rubric** - Provides a blank rubric of an assessment without student names. This report is found in the **Rubric View** while scoring an assessment.
- **Completed Rubric** - Provides a complete scoring of an assessment for a single student. This report is found in the **Rubric View** while scoring an assessment.
- **Blank Scorecard** - Provides a blank scorecard of an assessment with the section roster and space to fill in student scores. This report is found in the **Scorecard View** while scoring an assessment.
- **Completed Scorecard** - Provides a scorecard with all available scoring of an assessment for the section's roster. This report is found in the **Scorecard View** while scoring an assessment.
- **SLO by Term** - Provides student counts for mastery levels and scale scores for the SLOs
- **Faculty SLO by Course** - Provides student counts or per student scores for mastery levels and scale scores for the SLOs
