## Help Pick Our New Assessment Software!

This is an exciting moment for our institution! After a thorough review of RFP responses, the Assessment Committee has identified our top three prospective vendors for a new assessment software—now we need **YOU** to help us make this important decision. Your insights will directly shape which platform we choose to support our work and enhance students' learning experiences at PCC.

All faculty and staff are invited to join us for virtual demonstrations where you'll see these platforms in action and get a firsthand look at the tools that will be vital to how we approach assessment.

### Virtual Demonstration Schedule

- **HelioCampus** ([Zoom link](#))  
Friday, May 8 | 10:30 – 12:00
- **Concourse** ([Zoom link](#))  
Friday, May 15 | 8:30 – 10:00
- **SPOL** ([Zoom link](#))  
Friday, May 15 | 10:30 – 12:00

For those unable to attend the live sessions, recordings will be made available as soon as possible following each demonstration.

Your feedback and rankings will be collected via electronic surveys. Responses should be submitted by **noon on Monday, May 18th**—your input will be a vital part of the committee's final deliberations.

### eLumen FAQs & Troubleshooting Tips

**How do I log in?** Go to [pueblocc.elumenapp.com](#)—Username = S number; password is separate from other PCC accounts. Set (or reset) your password with the "Forgot Password?" link and your PCC email!

**Why don't I see my classes?** Confirm the Faculty role and correct program are selected from the drop-down menus at the top. If your "To Do" list is empty, no classes will appear; click on the "Courses" tab (the icon itself, not the term) to see your classes.

**How do I add a rubric to my class?** From the "Courses" tab, click the "Find Assessment" button to open the library of available rubrics. Select one and click the "Add to Section" button at the top.
